## **Acknowledgement**

The Federation of Palestinian Chambers of Commerce wishes to express its gratitude to and praise for the International Labor Organization (ILO) and its regional office in the Arab countries. The Federation particularly thanks Ms Lama Naser senior employer specialist at ILO – Arab regional office at Beirut and Mr. Khalid Doudine ILO coordinator at Jerusalem office in Palestine for funding this study, falling under the Emergency Project for Support of Employers' Organizations. I also would like to thank all those who have contributed to the successful completion of this study. The union is particularly grateful to heads and members of Palestinian chambers of commerce councils, as well as the chambers of Commerce directors and employees in the governorates of Palestine. Thanks are also due to all companies, which have cooperated with us especially in the completion of this study questionnaire.

I do finally thank the Technical Team charged with the completion of the study. The Technical Team had the following members:

Mr. Ali Muhana	Assistant General Secretary
Mr. Ahmed Sadeq Abu Baker	Research and Studies Unit
Mr. Hashem Melhem	Economic Researcher

Federation President  
Ahmed Hashem e-Zughayer
